### PROFILE

My name's Adi Primanto, I'm a Frontend Developer with more than one year of experience. I can build an attractive web or application display and make sure the web is made responsive when used, either in web mode, tab mode or mobile mode. I'm familiar with vue js and collaboration tools like trello, github, and others for development.

### KEAHLIAN

- HTML & CSS
- Javascript, JQuery
- Tailwind, Sass, Bootstrap, etc
- Vue JS, Next JS, React Native
- GIT, Gitlab, Github
